Cub Scout Basic Leader Training

“EVERY YOUTH DESERVES A TRAINED LEADER”

New Leader Essentials: This 90-minute course is an introductory session that highlights the values, aims, history, funding and methods of Scouting. It addresses how these aims and methods are reached in an age-appropriate style within all programs of Scouting.

Position Specific Training: Once you have a solid overview of the Scouting’s values-based program, this is your next step. This training provides the specialized knowledge a new leader needs to assume a leadership role. You will attend one of the following five sessions, depending on your role in your Cub Scout Pack; each session is approximately 3 hours.
