

2008 FAMILY FRIENDS OF SCOUTING

The Georgia-Carolina Council's annual operating budget is supported financially by hundreds of business and community leaders, former Scouts, corporations and foundations – and by the families of our youth members. The Family Friends of Scouting (FOS) campaign lets those who are directly enjoying the benefits of Scouting help pay for it.

ALL units are asked and encouraged to schedule a Family Friends of Scouting presentation during one of your January, February or March meetings (Pack meeting, Blue & Gold Banquet, Troop Court of Honor). At the 10 minute presentation, a volunteer will explain the programs and budget of the Georgia-Carolina Council and ask family members for a pledge of financial support. Family Friends of Scouting is not a requirement of membership; families are encouraged to give based on their financial ability and their personal belief in the Scouting program.

In 2008, all units that conduct a Family Friends of Scouting presentation will receive a special "Honor Unit" ribbon to display on their unit flag!
