COURSE OVERVIEW

In 1911, Baden Powell took the first steps in training Scouting's adult leaders by organizing a series of lectures for Scouters. He made great strides in the years that followed, culminating in 1919 with the establishment of Wood Badge training. Wood Badge recipients now number more than 100,000 scouters around the world.

Wood Badge for the 21st Century is intended for all leaders in Scouting – Cub Scout, Boy Scout, Varsity Scout, and Venturing leaders, as well as council and district leaders. The focus is on leadership, organizational tools, and a variety of activities based on the best of Scouting traditions and the latest in team-development theory. In addition, participants will enjoy the fellowship of sharing the experience with volunteer and professional Scouters while having a great deal of just plain fun.
